

BRASS CLOSET SPUDS

SECURE TOILET CONNECTIONS

CREATE A WATERTIGHT SEAL

VERSATILE. DURABLE. CORROSION-RESISTANT.

Designed to provide a water-tight connection between the components of a toilet, B&K closet spuds are made of durable cast brass which holds up in high-use areas, perfect for commercial applications. For additional information, please contact your local sales representative.

HIGH QUALITY BRASS CONSTRUCTION

Supports a durable
long-lived product

HEAVY DUTY RUBBER WASHER

Ensures a tight seal
between the tank and
seat of most toilets.
